Blessings Hephatha Community,

Below is an update to our out of state travel policy:

Out of State Travel Update

Over recent weeks, we have seen the COVID metrics consistently drop as the effects of our winter surge continues to decline. After careful consideration, the Hephatha campus administration has removed any quarantine framework for out of state travel. Should you travel out of state we continue to encourage adhering to CDC and CDPH best practices and recommendations, but NO quarantine from campus will be required.

Hephatha administration will actively monitor local COVID metrics and base any changes to our stance on local data. Thank you for understanding and support over recent months as we partnered together in doing our part in mitigating potential campus COVID outbreaks.

In Christ,

Eric Deyke
Principal
Hephatha Lutheran School
