The mission of Hephatha Lutheran Church and Schools is, by the grace of God, to build-up the family of Christ, to grow in faith, to assist families in "discipling" their children in a Christian community, and to provide an educational experience wherein all will find identity, purpose, and power for their lives in Christ by living in grace and in the knowledge of Him as their personal Lord and Savior.

At Hephatha Lutheran Church and Schools, we are committed to providing each child excellent Christian instruction and training in the Christian faith. Your child will be trained in the teachings of the Christian faith as taken from the Bible and as explained in Luther's Small Catechism. The spiritual growth of each child is of utmost importance to us and we count on your taking this responsibility seriously as well. Your family will be richly blessed as you worship and pray together. If you do not have a home church, please know you are welcome to join us here at Hephatha.

Your child's class will be singing for one of the Sunday church services about three times during the school year. Every effort should be made by your family to include your child in these worship opportunities. Should there be a compelling reason for an excused absence, please notify your child's teacher.

In order to better-serve the spiritual needs of our school families, we would like you to complete and return this form to the school office on Paper Day:
