PARENT VOLUNTEER PROGRAM (PVP)

____ *Every family is required to volunteer 50 hours per school year.* Such activities may include copying, grading, filing, chaperoning, driving, teaching/demonstrating, assisting, repairing, painting, or the sharing of special talents. Such service may take place during the school day, evenings, or even on the weekend. Please consult your child’s teacher for opportunities. Families are responsible for recording their service hours in the PVH book located in the school office. Families may choose to pay \$10.00 per hour rather than volunteer and will be billed accordingly on June 1st of each school year for hours not volunteered. Planned volunteer hours for June should be recorded in the PVH book in advance of service. All such monies collected will be used by the school to improve the educational program.

PARENT SCHOOL PARTNERSHIP

____ God has ordained the institution of the family and has given parents the responsibility of nurturing, training, and raising their children. The Church is the spiritual authority and support for God’s people on earth. The school is a support ministry for the parent and the Church in acting as the agent of the parent while the student is in the care of the school. As a complement to home and church, Hephatha Lutheran School will nurture the growth of students in a Godly direction: "And Jesus grew in wisdom and stature, and in favor with God and man." Luke 2:52. Students have the best opportunity for success when parents, Church, and school partner in establishing, clearly communicating, and enforcing healthy boundaries. To enhance this partnership, it is the responsibility of the parent to read, review, clarify, and reinforce the school’s expectations and policies outlined in the K-8th Family Handbook. **Continued enrollment is contingent upon a current family account balance as well as continued support and respect of school philosophies, beliefs, policies, procedures, administration, faculty, and staff.**
