

"...and indeed our fellowship is with the Father and with his Son Jesus Christ" 1 John 1:3 ESV

Thank you for your promptness in completing the survey shared last week regarding our collective academic experience in 2020-2021. As we prepare for the upcoming school year, your feedback is paramount in helping us prepare for a return to our traditional academic experience.

Your partnership is deeply valued by all staff and faculty at Hephatha Lutheran, it is one of the greatest gifts in our collaboration together. Below are some of our early results from the survey. We share these results with our community as a measure of transparency regarding last year's academic experience and as we move forward to the start of the 2021-2022 academic year.

For those that are still interested in participating in this survey, there are links in the correspondence that included this PDF. This survey will be kept open throughout the end of the month of July and all individual responses will be kept confidential.

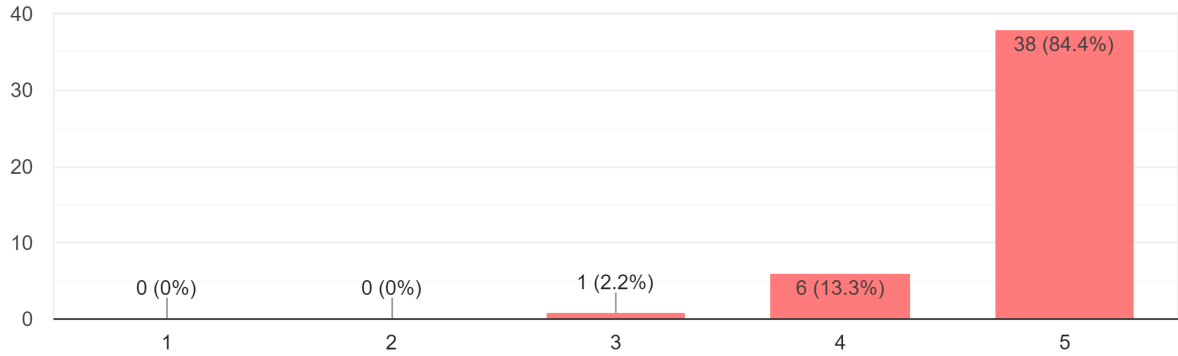

Thank you again for your support and partnership throughout these challenging and unknown times, it is appreciated beyond measure.

In Christ,

Eric Deyke
Principal
Hephatha Lutheran
